

ACE College Credit Recommendations

The American Council on Education's College Credit Recommendation Service (ACE CREDIT) has evaluated and recommended college credit for 12 AIB Online Courses. The American Council on Education, the major coordinating body for all the nation's higher education institutions, seeks to provide leadership and a unifying voice on key higher education issues and to influence public policy through advocacy, research, and program initiatives.

ACE CREDIT connects workplace learning with colleges and universities by helping adults gain access to academic credit at colleges and universities for formal courses and examinations taken in the workplace or other settings outside traditional higher education.

ACE/CREDIT Transcript Service

For the benefit of our students, the American Bankers Association participates in the American Council on Education's (ACE) Transcript Service. The ACE Transcript Service offers a lifelong record for students who have successfully completed our courses that have been reviewed by ACE CREDIT. This service enables adult learners to present a nationally recognized transcript to the college or university of their choice for the potential award of academic credit. For more information, visit the ACE CREDIT Transcript Service website at <https://www.acenet.edu/transcripts/>

If you are interested in the ACE transcript service to apply for college credit, you will need to register with ACE at <https://www.acenet.edu/transcripts/register> (if you haven't already registered with them).

Then, once you have successfully completed the course, you can register the course at the site above and it will be added to your transcript. To register this course at the ACE site, please type **American Bankers Association** in the field "Organization Name". This will pull all of our courses and you can then select your course title.

ACE will notify you by email when your official ACE Transcript is updated and available to you. ACE's email will prompt you to visit their online transcript site at <https://www.acenet.edu/transcripts/> to activate, view, and order a transcript to go to the destination of your choice.

For more information on the ACE Credit Recommendation Service, visit <http://www.acenet.edu>.

There is no cost for using this registration site. Throughout the registration process, you will be notified by e-mail whenever one of your requests has been approved or denied. When all your requests have been resolved and you've received approval(s), you will be notified again by e-mail and given a link to the ACE Online Transcript System. Using the Online Transcript System, you can once again view your complete file, change your address if necessary, and then order your first ACE Transcript. At that time, you will need to pay the one-time fee of \$40 to activate your ACE Transcript account. The \$40 fee includes your first transcript.
